Deep Furniture Sdn Bhd
Hall 1, Booth 1-B05
Exploring nature-inspired designs, Deep Furniture has elegantly infused light-coloured wood with a sleek and minimalist design. The result is a cosy and inviting dining table set that is as sturdy as it is visually appealing. Accentuated by clean, straight lines, the dining table set comes with wooden stools and a 3-legged dining table equipped with its very own storage system for jams, condiments and even your wine opener. Perfect for a compact home.

Dining In Style

The dining room should be the most versatile space in a home. As such, choosing the right piece of furniture will determine how functional the space could be.

Crown Furniture Manufacture Sdn Bhd
Hall 2, Booth 2-B12
Crown Furniture Manufacture, a Malaysian furniture manufacturing company based in Klang within the state of Selangor, is devoted in producing designer living room furniture. This year, the company is proud to showcase its latest dining set made from a combination of wood and metal. The trendy aesthetics appeal to the modern consumers as the mismatched wood grains provide a great statement piece for your dining room.

First Flames Sdn Bhd
Hall 8, Booth 8-B02
Located in Muar, Johor, First Flames is one of the fastest growing leaders in upholstery manufacturing in Malaysia, producing furniture such as Sofa set and Dining sets. The organisation, incorporated in 2006, export products to countries such as Europe countries and Asia countries among other international destinations. Its new range, featuring modern retro styles, is a dining table and chair set made from rubber wood and upholstered with polyester fabric. Suitable for all ages, the design of the set is both luxurious and relaxing with soft hues used to complement the light wood dining table.

Value Plus Industries Sdn Bhd
Hall 8, Booth 8-A01
Understanding modern consumers' needs for durable yet chic-looking furnishing solutions, especially in the dining room, Value Plus focuses its efforts into producing high-quality, solid wood furniture pieces fashioned in sleek, classic designs that never go out of style. Balancing between aesthetics and functionality, Value Plus's dining room sets are well sought after in many markets around the world. Its main markets include North America, Japan, Middle East and China.

Jin Sheng Furniture Industry Sdn Bhd
Hall 8, Booth 8-A06
If you're seeking well-designed, high-grade rubber wood furniture with exquisite workmanship, look no further than Jin Sheng Furniture Industry. With over 20 years specialising in manufacturing rubber wood furniture, Jin Sheng strives for excellence with its uncompromising quality products and diverse range of products. Its latest collection is a dining table set featuring a harmonious mixture of modern and classical touches. The simple elegance, warm aesthetics and durability of the set, with its rubber wood base, appeals consumers worldwide with its bold structure and quality workmanship. The company also constructs ready-to-assemble furniture.

Feng Yuan Industries Sdn Bhd
Hall 2, Booth 2-B01
Based in Muar, Johor, Feng Yuan Industries is a well established manufacturer and exporter of furniture pieces that specialises in dining sets and occasional furniture. This year, the company is releasing its new range of dining and living room furniture pieces that match the taste of modern consumers who prefer open concept homes. Centred on a nature-inspired theme, the dining and living room set features a heavy usage of wood grains and wood tones, which could transform any home into a tranquil sanctuary.

Novel Furniture Sdn Bhd
Hall 1, Booth 1-A08
With over 35 years of experience in furniture fabrication, Novel's furniture pieces are adored worldwide for its exceptional concept, design, material and quality. Inspired by the alluring aesthetics of timber, Novel has produced a series of dining set that banks on a warm earth tone and clean straight lines to accentuating the inviting ambience of any dining room. The wooden surfaces are further paired with brown-coloured, fabric upholsteries to complete its nature-themed design, while providing maximum level of comfort to its users.

SF Furniture Sdn Bhd
