Bowood Night by Rowico

Established in 2005, EFE remains one of Asia's leading furniture and furnishings exhibitions, and is dedicated to regional and international companies looking to penetrate the global market.

Covering the entire spectrum of home furniture, outdoor furniture, home decor, office furniture, commercial furniture, hotel furniture, children's furniture and furniture parts and accessories, EFE 2019 will present an upgraded display of design and lifestyle solutions.

The 15th EFE sees an expansion into another two halls (taking it to a total of

10) across an exhibition space of 35,000m² (3000m² larger than the 2018 edition).

More than 80% of the event was sold out at the time of going to press, with notable exhibitors including Novel Furniture, Marcoco Furniture Industries, Hup Chong Furniture, Home Upholstery Industries, First Flames, Deep Furniture, Zolano Design and Tawei Furniture.

The event's organiser expects EFE 2019 to attract more than 16,000 trade buyers and visitors from some 140 countries. Within its theme, Fine Furniture, World Market, EFE is dedicated to creating a valuable

trading platform for the industry, and offering sector-leading communication and promotion opportunities.
