ANNOUNCEMENT
EFE RESCHEDULES 16TH EDITION TO 2021
March 10 – 13 in Kuala Lumpur Convention Centre

As Malaysia enters into the Recovery Movement Control Order (RMCO) phase from June 10 - August 31 2020, the EFE Board of Directors have decided to reschedule EFE 2020 as the best course of action to restrict conducting mass gatherings accompanied by travel restrictions. We have to take into consideration of the on-going COVID-19 with unknown duration of maintaining social distancing and other safety measures. Thus, **we have rescheduled Export Furniture Exhibition (EFE) 16th Edition to March 10-13,2021.**

Every EFE exhibitor who had made payment in 2020, we will carry forward to EFE 2021. With utmost importance, we will ensure that the next event will also be held at the same venue in KLCC as originally reserved for EFE 2020.

More details of digital online business matching ways to connect with overseas buyers will be communicated with you very soon. We want to thank all our EFE participants for their loyalty and support. We look forward to seeing you for EFE 16th Edition in March 10-13, 2021.

The Organizer,
EFE Expo Sdn. Bhd.
